THE KEY TO THE CITY OF MIAMI BEACH AWARD

The award was due to the enormous contributions and cooperation that the young people of this community have been receiving from MAPET International Foundation and especially for the anti-drug campaign that these youngsters have been exposed to.

The Award was held at the Miami Beach High School facilities during the “Carnival” celebration, and the entertainment was provided by the PAKKONE BAND, composed of twelve Brazilian youngsters between the ages of 17 to 22 years old, that live in the town of Favelas (ghettos) in Brazil. They came to this city to show the whole world, despite the conditions in which they live, they do not have to consume drugs or commit criminal acts that could tarnish their young lives.

Mr. M. Mario Perez Rivera thanked the audience for their assistance and likewise the Mayor of Miami Beach for his recognition in awarding him the Key to the City.
